

The Classic Cruiser 80

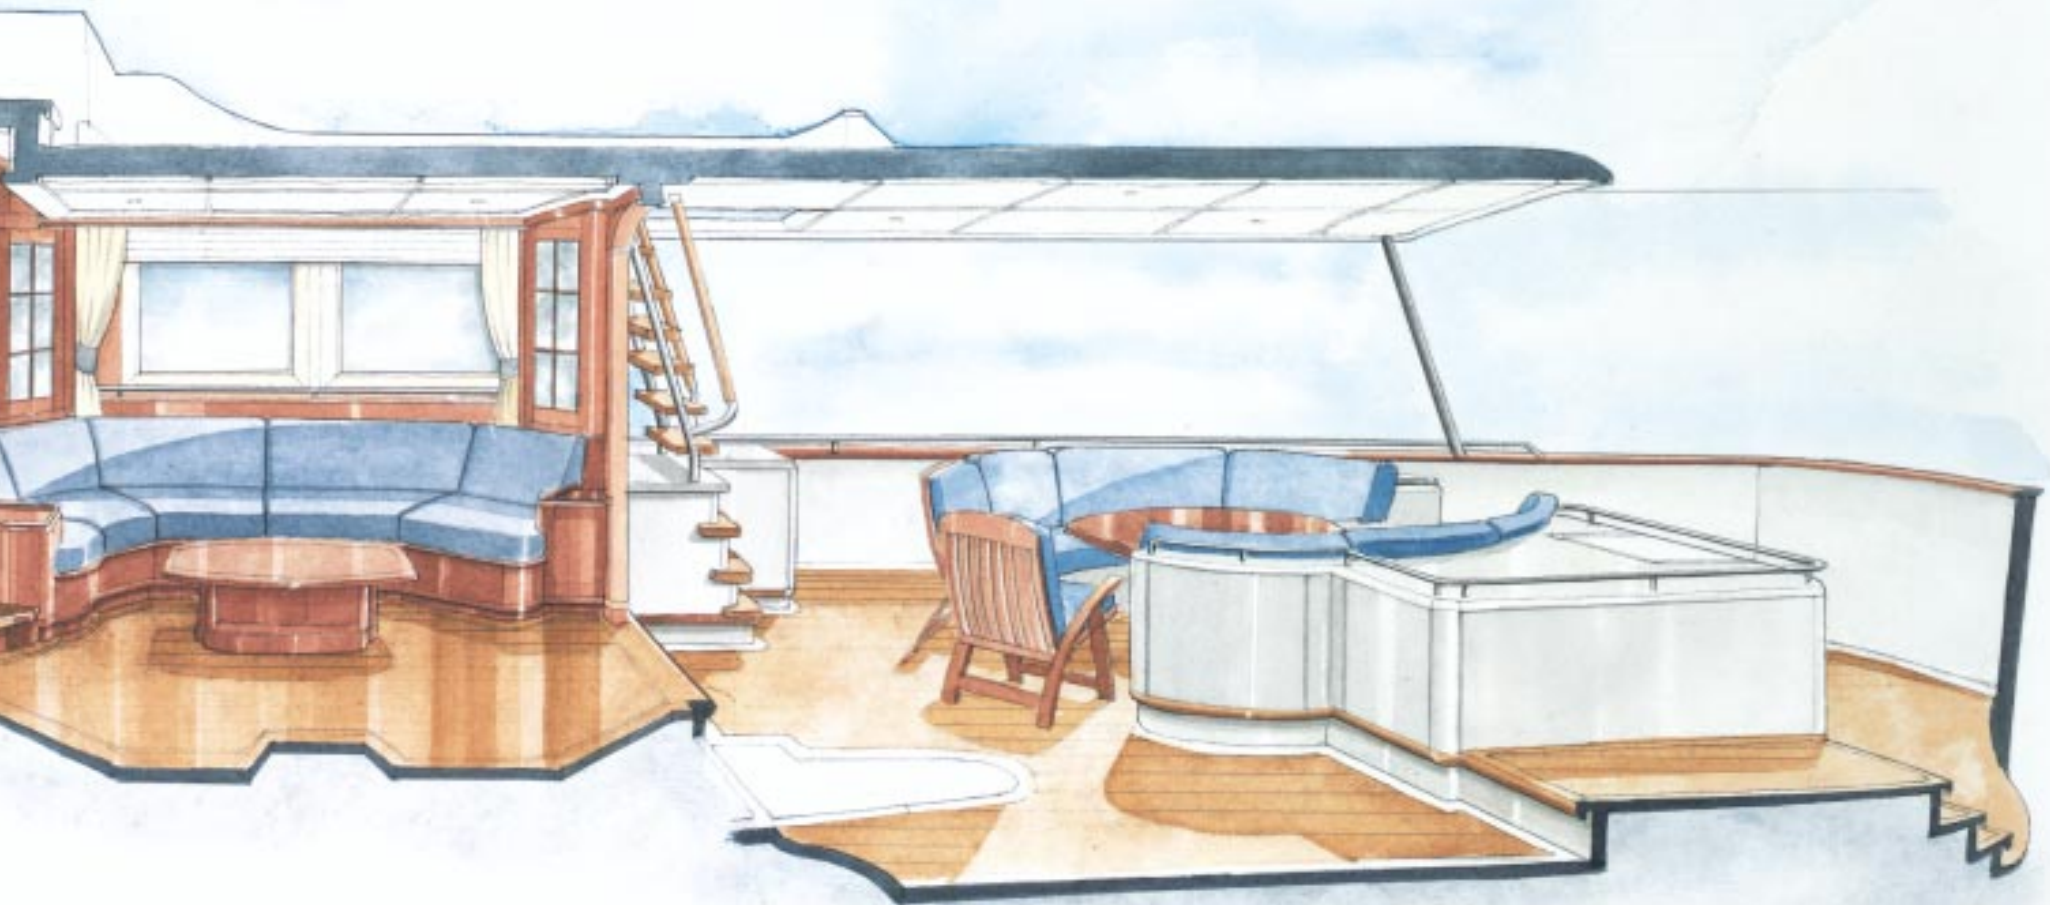

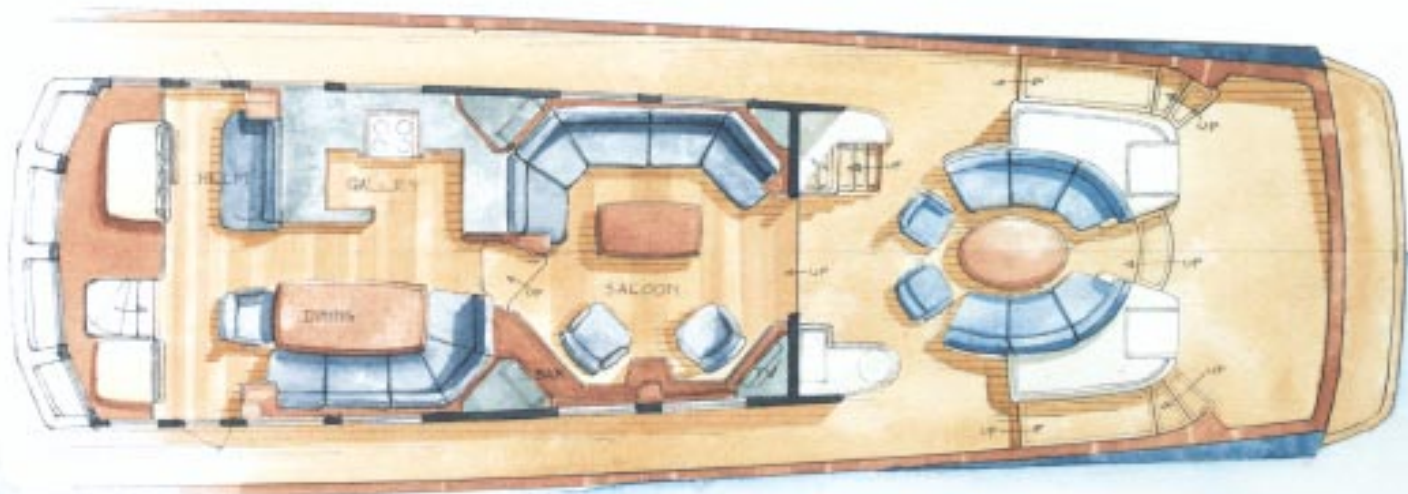

The CNB Shipyard of Bordeaux, France, a leader in advanced composite fiberglass and aluminum construction will custom build each Classic Cruiser. The highly respected design firm of Joubert and Nivelte was selected to create a design of uncompromising performance and a delightful motion. A well known U.S. sound engineering company was selected to specify design and construction details to produce a smooth, quiet ride. In the U.S.A, Sales, Commissioning, Delivery, and Warranty Service Support will be provided by the brokerage firm of Luke Brown & Associates.

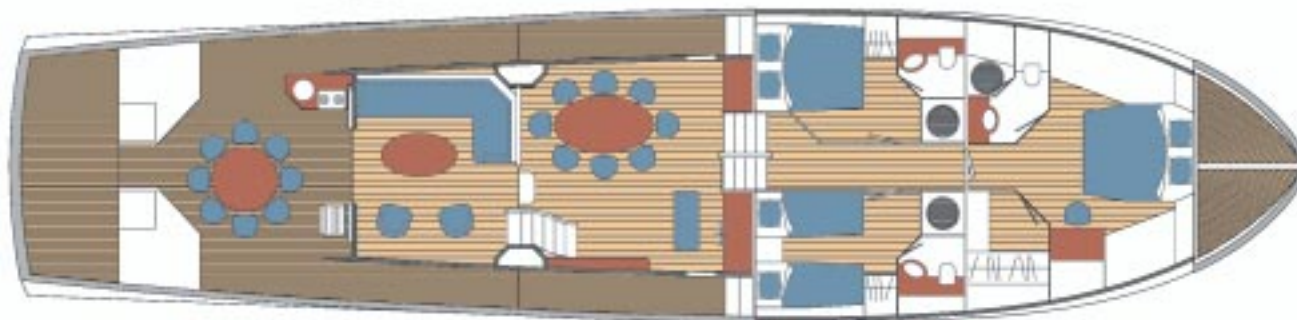

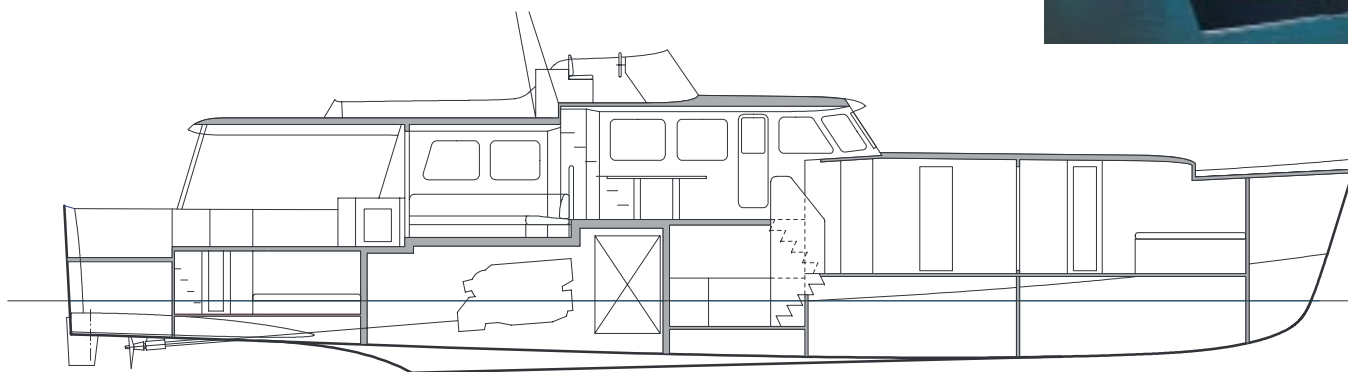

The best in style and elegance from the early 20th century, designed, engineered and constructed for the 21st century ...

High tech composite fiberglass • Breathtaking fit and finish • Custom designer interiors • Personalized exterior styling • Powered by reliable Caterpillar engines...

The Classic Cruiser

Crew under aft deck

Galley under pilot house

L A Y O U T

The interior layout is custom. The one shown here is one of the possibilities. The galley could be on the main deck, next to the dining table, with a VIP or owner's cabin under.

C H A R A C T E R I S T I C S
